Sound Money Speeches.

HON. J. R. HINDMAN addressed a fair sized audience Tuesday afternoon at the court house in the interest of his candidacy for Clerk of the Court of Appeals on the National Democratic ticket. Mr. Hindman was given a most respectful hearing and his speech contained some strong arguments. It was interspersed with many witty remarks. Mr. Hindman said that the silver question had been settled—according to Mr. Bryan's congratulatory telegram to President McKinley—and that the country was now suffering from Bryanism.

The speech made by Hon. Josiah Patterson at the court house Saturday is conceded by all to have been a masterly effort, and it was well received. Mr. Patterson's arguments were strong, logical and convincing. Mr. Bryan was severely arraigned for inciting labor against capital.

The Pension Incubus.

THE New York Sun in an editorial bunches some significant pension facts. Figures recently published show that at the present rate of expenditure the annual pension list has been consuming nine-tenths of the revenue taken in at all the custom houses in the United States; or again, if the custom duties are considered as paying the general expenses of the government, the pensions have been using up not less than 96 per cent of the total receipts from internal revenue. Thirty-two years after the end of the civil war, the number of pensioners on account of that war exceeds by a quarter of a million the number of soldiers actually engaged in service in all of the armies of the government at any time between the firing on Sumter and the surrender of Lee at Appomattox. The number of pensioners after a third of a century is between 30 and 40 per cent larger than the fighting army at any time during the war. We have already paid in pensions since the war two billions dollars or two-thirds as much as it cost to carry on the war. [Scientific American.]

HON. J. G. BAILEY, Republican candidate for Clerk of the Court of Appeals, will make a tour of the State on a special train, starting from Louisville Tuesday. He will stop in Paris, Mayeville, Carlisle, Millersburg, Johnson, Cynthiana, Falmouth, Butler and Newport next Friday.

THE Kentucky dates of Hon. Chas. Towne, the free silver Republican of Duluth, have all been canceled save one, Nov. 1st at Frankfort. He will speak in Ohio until that date.

THERE'LL be a hot time in the old town on November 1st when Bronston and Settle, rival silver candidates for Congress, meet on the same stump.

To The Ends Of The Earth.

Mark Twain, after two years careful preparation and hard work, has just completed the story of his famous trip around the world. It is entitled "Following the Equator." Mark Twain is first of American humorists. His previous books had an enormous sale and their titles have become household words. For this book he went to the ends of the earth to find new things to make us laugh over. He has declined to become a public pensioner by favor of a great news paper, naturally preferring to pay his unfortunate business debts, without outside aid, from the profit which he hopes to realize from his new book. The work is undoubtedly the greatest effort of his literary career, and is especially strong in descriptive qualities. He continues, as in his earlier works, to get in a lot of good stories, droll anecdotes, good observations, etc. The book is profusely illustrated with original pictures and sketches by noted American artists, particularly Dan. Beard, A. B. Frost, Peter Newell, and others whose great talents, realistic and imaginative, are best adapted to put into picture the humor and pathos of Mark Twain. This is without doubt one of the most remarkable publications of the age and is issued by The Jones Brothers Publishing Co., Cincinnati Ohio.

Are You Thin?

Look about you! See for yourself! Who suffer most from sleeplessness, nervousness, nervous dyspepsia, neuralgia, dependency, general weakness? Who are on the edge of nervous prostration all the time? Those who are thin, Opium, chloral, bromides, headache powders, only make matters worse. Iron and biters are only stimulants. To be cured, and cured for good, you need a fat-making food. You want new blood, rich blood; and a strong nerve-tonic.

SCOTT'S EMULSION of Cod-liver Oil with Hypophosphites is all this. It feeds the tissues, makes rich blood, and strengthens the nerves.

Book about it free for the asking. For sale by all druggists at 50c. and \$1.00.

MANY THINK!

when the Creator said to woman, "In sorrow shalt thou bring forth children," that a curse was pronounced against the human race, but the joy felt by every Mother when she first presses to her heart her babe, proves the contrary.

Danger and suffering lurk in the pathway of the Expectant Mother, and should be avoided, that she may reach the hour when the hope of her heart is to be realized, in full vigor and strength.

Miraculous Benefit RECEIVED FROM Dr. Miles' New Heart Cure.

ELLI P. BABCOCK, of Avoca, N. Y., a veteran of the 3rd N. Y. Artillery and for thirty years of the Babcock & Munsell Carriage Co., of Auburn, says: "I write to express my gratitude for the miraculous benefit received from Dr. Miles' Heart Cure. I suffered for years, as result of army life, from sciatica which affected my heart in the worst form, my limbs swelled from the ankles up. I bloated until I was unable to button my clothing; had sharp pains about the heart, smothering spells and shortness of breath. For three months I was unable to lie down, and all the sleep I got was in an arm chair. I was treated by the best doctors but gradually grew worse. About a year ago I commenced taking Dr. Miles' New Heart Cure and it saved my life as if by a miracle."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.
